# 45 1/2" Modular Table Configurations

**M07-4501:** Table with Storage - Page 19

**M07-4502:** Dump Table - Page 19

The 45-1/2" modular table is a popular choice to house small to medium size mailing machines. By adding a riser, you can lift your sorting modules off of the table and utilize the entire work surface. These tables can be onfigured as stand-alone units or can be used with other sized tables to create In-Line, L-shape and U-shape workstations.
